School Educational Goals

Joy to study

～connect・weave・believe～

Working together, we aim for an enjoyable and comfortable school.

This is Himeji City Akatsuki Junior High School :

- ☑ All of the teachers have a teaching license.
- ☑ Students study the same school subjects as daytime junior high school students. (Japanese, Social studies, Mathematics, Science, English, Music, Art, Health and Physical education, Industrial art and home economics, etc.)
- ☑ We offer Japanese language study support for foreign nationalities if necessary to deepen the understanding of learning.
- ☑ We teach according to the level of a student's academic ability.
- ☑ When you finish all of the needed courses of study, You will be awarded a Junior High School Certificate.
- ☑ The standard length of period to study is 3 years. In principle, you can extend it to 6 years at the most.
- ☑ Depending on the level of academic ability, you can start from the 8th grade (2nd year) or 9th grade (3rd year).
