① Sites are listed by area. Please take the opportunity to find the emergency shelters that are easiest to access for you.
 ② Appointed Evacuation Shelters are marked on the legend as 「○」 for suitable to use and 「△」 for not suitable to use.
 • During flooding and storm surges, in some cases, first floors of shelters marked as △ may be unusable.
 * Flooding is when Ichikawa and other major rivers overflow.
 • In the case of a landslide, for shelters marked as △: seek refuge on the 3rd floor and above, away from slopes, for shelters marked as △: only the gymnasium can be used.
 * When a landslide disaster occurs, a landslide disaster warning will be released.
 ③ Locations marked in green on the table are large scale evacuation sites and correspond with the green areas on the map.
