

# Appointed Evacuation Shelter Map (Shikama Area)

Appointed Evacuation Shelters vary depending on disasters.  
Please use the appropriate evacuation shelter for each disaster.

Appointed Evacuation Shelters are locations to seek refuge in the case of imminent danger, and vary in suitability based on disasters like floods, landslides, storm surges, earthquakes, tsunamis, and large scale fires.

- Sites are listed by area. Please take the opportunity to find the emergency shelters that are easiest to access for you.
- Appointed Evacuation Shelters are marked on the legend as 「○」 for suitable to use and 「×」 for not suitable to use.
  - During flooding and storm surges, in some cases, first floors of shelters marked as △ may be unusable. △: seek refuge on the 3rd floor and above.
  - \* Flooding is when Ichikawa and other major rivers overflow.
  - In the case of a landslide, for shelters marked as △: seek refuge on the 3rd floor and above, away from slopes, for shelters marked as △: only the gymnasium can be used.
  - \* When a landslide disaster occurs, a landslide disaster warning will be released.
- Locations marked in green on the table are large scale evacuation sites and correspond with the green areas on the map.
