

和辻 龍 さん より  
(Ryu Watsuji)

【English】

Himeji Castle, Himeji City Museum of literature, Shoshazanenkyou Temple.  
You can feel History, while you go for a walk under the blue sky. You  
can take a rest while you eat a Japanese sweet from Himeji, and you can  
refresh yourself while you eat grilled conger eel.  
I recommend this journey to refresh your body and soul in Himeji.
